

Climate Smart Communities

MINUTES
CLIMATE SMART COMMUNITIES COMMITTEE
September 18, 2019, 7:00 PM

Attendees: Greg Vogler, Jere Wrightsman, Connie Mondel, Chris Schober, Maureen Wilson, Paige Ruane

Welcome to new member Paige Ruane

1. Approval of Minutes from August 21, 2019 meeting

No objections or changes by anyone. Minutes were approved by all.

2. Status of Key Initiatives

a. NYSERDA Grant – Greg

Still waiting on decision by NYSERDA. Spoke to Greg Mumby from Climate Tools, a consultant hired by the CDRPC who wrote the grant application for us (at no charge to the town). He reiterated the decision by NYSERDA may come in either September or October.

b. LED Street Lighting – Chris

No update from NYSEG.

c. Town Buildings LED Lights Replacement – Chris

Chris will arrange a meeting between Greg, Chris and Cara to review the proposal. Need a realistic baseline.

d. Benchmarking – Jere

Jere will start to analyze new town hall data for input to the benchmarking system

e. Geothermal, Community Aggregation. Maureen will follow-up with Tara on viable options.

f. Presentations, Speakers, materials as a goal for 2020. To be added to standing agenda.

3. CPOC – Tim

Tim could not attend; so no update on CPOC.

4. Next Meeting: Wednesday, October 16, 2019, 7:00 pm.
