

Climate Smart Communities

Minutes
CLIMATE COMMITTEE
December 16, 2020, 7:00 PM
Via Zoom

Attendees: Greg Vogler, Jere Wrightsman, DeeAnn Veeder, Chris Schober, Tim Staker, Maureen Wilson, Cara Humphrey, Jill Falci, Paige Ruane

1. Welcome to everyone; Happy Holidays, and welcome DeeAnn Veeder
2. Approval of Minutes from November 18, 2020 meeting

No objections, the minutes were approved.

3. Reports:
 - a. Garage Solar: Fully installed, awaiting Nyseg activation then we can be fully operational.
 - b. LED Street Lighting: Both Greg and Chris to follow-up
 - c. Benchmarking/Inventory for CSC: Will go forward pending DeeAnn getting grant.
 - d. EMC: Cara reported there is no significant update from the county committee although there was some discussion on the large Copake solar array being planned and that the county Climate Smart Committee has begun to develop.

- e. Website: Progress is continuing to be made.
- f. Facebook: There are an increasing number of followers as we continue to post more and useful information.
- g. Lifeboat/CSC Coordinator and grant opportunity: By January 12 for decision.
- h. CPOC: Setting up meeting going forward
- i. Emails: None

4. Next Meeting: Wednesday, January 20, 2021, 7:00 pm.
