

Town of Austerlitz  
Meeting of the Planning Board  
March 7<sup>th</sup>, 2019

In attendance Town Attorney, Joseph.Catalano, Debra Lans, LeeTilden, Eric Sieber

Meeting called to order by Lee Tilden.

Approval of Feb.minutes put off until next month

**Unfinished Business** : Airosmith Development- New Tower on West Hill Road.

Airosmith representatives A.J. Dibella and Dan Schweigard reported that a blockage on a 20 foot antennae on the present tower prevented their ability to obtain productivity data as requested by the Board. They have requested and are awaiting the listed termination date for these towers which at present are not compatible with VHF or UEH service

Coverage aerial view maps of the AT&T towers which are directed toward multi areas were provided to Board members with copies for Ray Jackowski and Bill Johnson. Radio Frequency from existing towers not known. AT&T radio frequency was described. Board requested the RF engineer to provide frequency assessment, emergency services as well as safety issues around additional antennae. Proposal for towers placement is designated at State Rte. 295 to connect with other At&T towers. Goosetown denied access.

When all the obligatory date required for this application has been received there will be a date discussed for a Town of Austerlitz Public Hearing.

**New Business:** None

**Public Comments:** None

With no Public comments a motion was made by D. Lans, seconded by L Tilden to adjoin the meeting.

Meeting adjoined at 8:30

Respectfully submitted,  
Constance Mondel
